HOOPER
I HAVE LEARNED A LOT
THANKS MR. WINN

Mr. Winn, I have enjoyed being in
your class very much this year. I
love Biology and this was my favorite
class all year. Since I've been in this class
I have been seriously thinking of becoming
a biology teacher myself.
You're a very nice man, Mr. Winn, and
a great teacher. Have a nice summer, and
maybe I'll see you in Spiess one in our unit.
And I'll be sure to stop in next year
to say "hi!" occasionally. Good luck
to great teacher — the best in
C.H.S.

Yours truly,

E.H.S. STUDENTS ARE ALWAYS BUSY

Dedication of Memorial Field . . .
 Elgin and Larkin came together to present radio assembly . . .
 Band members keep in step with the music . . .
 Student Council presents annual Am-Knee-Sia . . .
 Traditional dances highlight year . . .
 Students look toward economic future . . .
 Organizations participate in Homecoming festivities . . .

All of our experiences, past, present and future, make up the links in the chain of life. This year we witnessed the completion and operation of a west side senior high school, which has provided modern facilities and opportunities to best encourage the molding of good citizens; and the completion of a new athletic field which we all hope will carry on the distinction and the traditional rivalries of the Big 8 Conference, as we join a new conference, the Upstate 8.

Certainly of prime importance to the chain one fashions for himself is the education provided him by the curriculum of his high school, the faculty that implements that curriculum, the physical plant that houses it, the administration that governs it, and the fellow students who help to test it. Activities and classmates forge this chain of enduring strength, providing the major and memorable links.

Thus all events enhance the durability of this chain, and we, the Maroon staff, would like to forge the links acquired here at Elgin High School with the presentation of this, the 1963 Maroon.

BOARD LINKS COMMUNITY WITH PROGRESS

SEATED, Left to right: Willard Beebe; Ashley Arnold, President; Theodore Akemann; Donald Barber; and Orrin Thompson, Superintendent of Schools.

STANDING: Richard Stettner; Dr. Richard Powers; William Brandes; and A. E. Schmidgall, Supervising Engineer. Missing from picture, Elwood Thomas.

The main link of the Elgin school system is its Board of Education. They help in a never ending task, that of educating the youth of Elgin. Due to these men, Elgin continues to have one of the highest ranked school systems in our state. Not only have they appropriated money for a language laboratory, but they have also provided the community with a new senior high school on the west side of Elgin.

Among many other responsibilities they must select our administrators and faculty members. The students, faculty, and all who have anything to do with the Elgin Public Schools System can consider themselves very fortunate to have such an able and intelligent school board.

DARE TO BE A LINK?

Charles H. Brower, president of a large New York firm, says: "Back in our grandparents' day the word "square" was one of the finest in our language. You gave a man a square deal if you were honest — a square meal when he was hungry — when out of debt you were square with the world. Then a lot of strange characters got hold of this word and bent it out of shape. Now everyone knows what a square is. It's a man who never learned to get away with it, a "Joe" who volunteers when he doesn't have to — a guy who gets his kicks from trying to do something better than anyone else can. A square strictly from Squareville.

But our nation has a new set of heroes — Glenn, Grissom, Shephard, Carpenter, Schirra, and Cooper, who apparently live too far from the big cities and grew up to be squares. For who but a square would volunteer his life for his country's good?"

Dare to be a square. The most determining factor in your experience is not what life brings to you but what life finds in you. Not outside, but inside yourself are triumph or disaster.

A DEDICATED AND CONSCIENTIOUS ADMINISTRATOR

The assistant principal of Elgin High School, Mr. Donald Quillman, has proven a dedicated and conscientious administrator. Students have found that he does much more than discipline. His genuine interest enables them to confide their

problems and various interests. He stands as a leaning post on which students can unload their burdens. His time is the students', for he is never too busy in his official duties to help them.

COUNSELORS HELP US REACH OUR GOALS

The counselors are always willing to lend a helping hand or listen sympathetically whenever the need may arise. They are always available to help you understand your own abilities and limitations. The counselors organize a program of guidance and counseling designed to aid you in your high school environment. In spite of their busy schedules each counselor always seems to find the time to give each student special attention concerning his particular problem.

ABILITY LINKS EFFICIENCY WITH SUCCESS

Office Staff: The job of the office personnel is one with a lot of work and little glory. Few of us realize how much work is done by the Elgin High Office Staff. The scholastic records, programs, and life histories of all students are kept on record. The E.H.S. office staff deserves a lot of credit for a job well done.

Treasurer's Office: The accounts of all the clubs and organizations of Elgin High School are handled through the treasurer's office. A separate account is maintained for each. With the ever increasing activities, the treasurer's job gets more and more involved. Mrs. Maxine Barnes should be commended for her efficient managing of school funds.

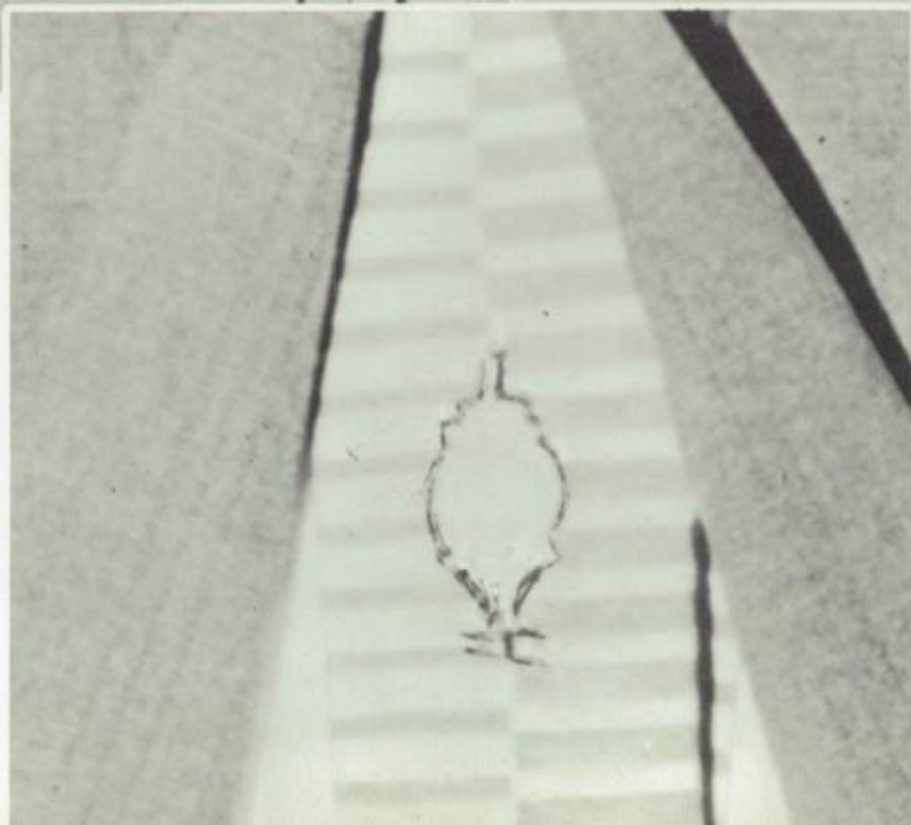

Attendance Office: The workers in the attendance office are responsible for recording absences, and prearranged absences for trips and such. This is a more than full time job capably handled by Mrs. Lueck and the attendance pages, who deliver the special message slips. Without their efforts, Elgin High School would not be able to run as efficiently as it is now.

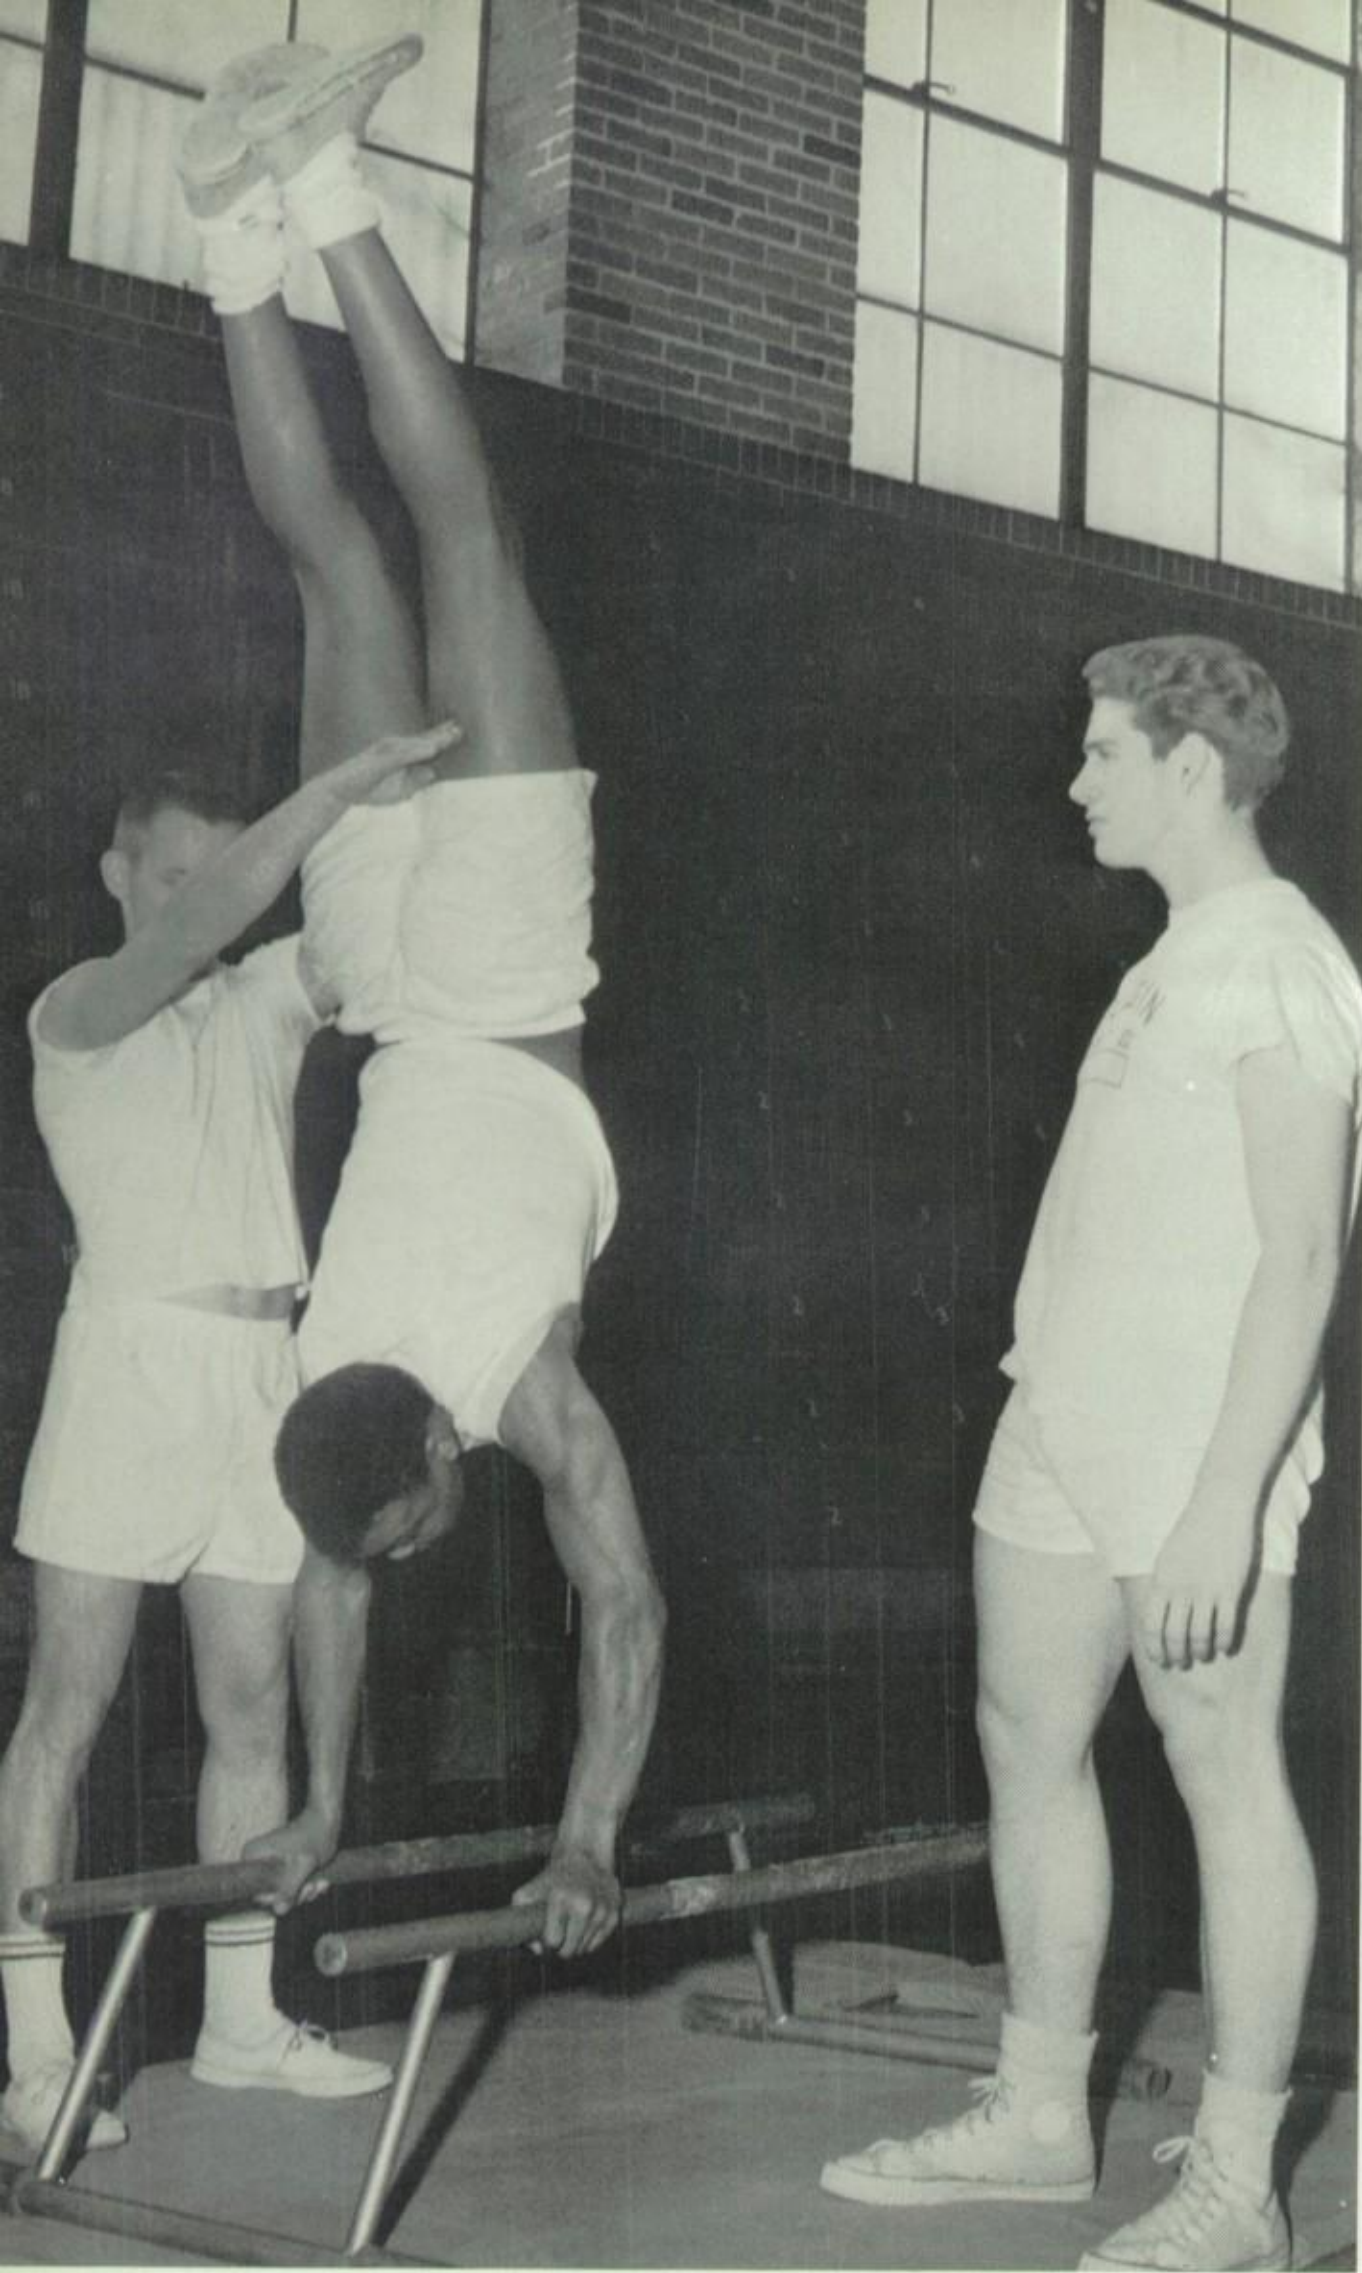

FACULTY

Linking the members of a faculty to the world of education are the keys and symbols of their academic success.

BOYS' PHYSICAL EDUCATION

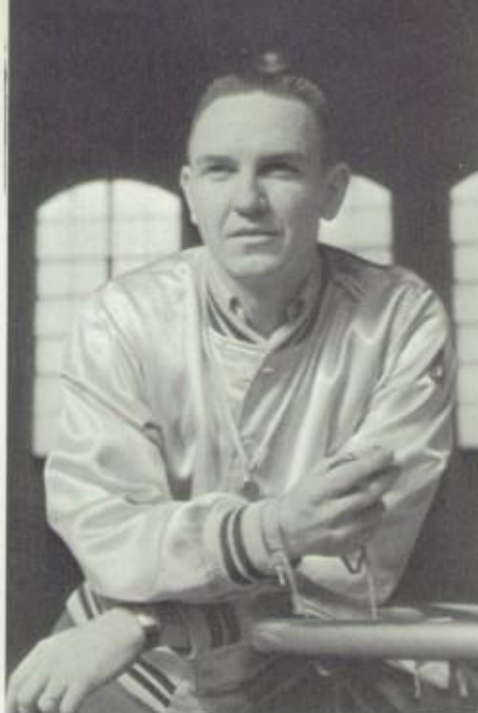

The Elgin High School students, as one, are a symbol of the coming leaders. Realizing this, the Boys' Physical Education Department attempts to prepare the boys for adult responsibilities in work and in leisure. The body is trained through a well-rounded curriculum including football, baseball, wres-

ting, basketball, gymnastics, swimming, tennis, golf, track, soccer, volleyball, badminton, and handball. Courses as personal hygiene, family living, and drivers' education prepare the boys for civic and individual responsibilities.

BUSINESS

The opportunities offered from business await the student graduating from high school and college. To meet the competition that is characteristic of business, the student must have confidence and a knowledge of his field.

The business staff of Elgin High School prepares the student to enter this field and to meet any competition fairly and con-

fidently. Efficiency is also stressed. The department offers the latest equipment and procedures. With these, the students may practice and experiment as they learn and develop the skills. Courses in business survey, personal and vocational typing, vocational bookkeeping, and vocational stenography represent the diversified interests.

ENGLISH

In terms of faculty and number of courses offered, the English Department is the largest department of any at Elgin High School. Knowing full well the requirements placed on the graduates of the school, the English Department and its

members provide opportunities for students to master in all phases of a well-rounded program from the basic required courses through the electives which stress individual creativity.

ENGLISH

Mastery of the English language is the link to mastery of all other courses at Elgin High School. The English department of E.H.S. offers a comprehensive three year course including English, American, and World literature, composition, speech,

vocabulary, and spelling. Additional courses are offered in public speaking, dramatics, and creative writing. Through correct usage of the English language the students weld a solid chain of skills in the language arts.

FINE ARTS

The Art department presents a program including photography, commercial art, general art, ceramics, drawing and painting, and jewelry enameling. It is the purpose of the Music and Art Departments at Elgin High School to develop the students' cultural background in order that they have a well-

rounded education.

The Music Department includes four choral groups: Senior A Cappella, Junior A Cappella, Aeolian, and Senior Girls' Chorus. Members participate in local and state contests, and present programs for the public.

INDUSTRIAL EDUCATION

Many students terminate their formal education following high school graduation, and it is the purpose of the Industrial Arts Department to provide these students with a suitable background enabling them to secure the skills necessary to

obtain permanent employment. Too, the department must acquaint college-bound students with the drafting and technical courses prerequisite to many engineering degrees.

Elgin High School's language teachers have studied in many areas of the world. This has enabled them to acquaint their students with the culture and background of people in foreign lands. E.H.S. offers study in Spanish, Latin, German,

Russian, French, and in addition employs the facilities of a modern, efficient language laboratory to promote mastery in the study of foreign language.

MATHEMATICS

Mathematics is a language of symbols. It has no boundaries. On this field, people of all lands can work together with little complication. Not only is Math important in itself, but its association with science is necessary and close. Therefore a broad knowledge of many Math branches is of extreme

value. Elgin High School offers varied courses from which the student can choose; basic mathematics, algebra-beginning and advanced, and college-plane, solid, and an analytical geometry, trigonometry, and calculus. Emphasis is put on specialization of the field these advanced and expanded courses.

SCIENCE

Science has become, in this age, the link to the modern world of today. It is the fastest growing and most emphasized field of study. The demand for trained scientists has reached almost unlimited proportions. Here at Elgin High School the Science Department is trying to meet this demand by offering

students a large variety of courses designed to give them a basic background in the sciences. Biology and earth science are offered to sophomores and chemistry and physics to upperclassmen.

SOCIAL SCIENCE

Social Science links the world to the well-informed citizen of today. Elgin High School does this through a variety of courses, American History is so important that it is required during the junior year. A student may also take World Geography or American History, while American Government may be selected during the senior year. The intricacies of our people and govern-

ment, and of our economic system, are practiced and taught through the required senior courses of Economics and Social Problems. Many senior students also take advantage of Modern or Recent U.S. History, which teach the student to link himself to the world which he will soon join.

TEACHING MATERIALS

Amid the complexities of today's educational systems are many teaching materials used by the classroom teacher. Elgin is fortunate in having such a wide variety and well-organized staff for this purpose. The resourceful teacher may lean upon the Elgin School System's radio station, WEPS; an outstanding and well-equipped library; a full range of audio-visual equipment; and sight saving facilities.

STUDENT COUNCIL, THE LINK BETWEEN

The Elgin High School Student Council is a representative body organized for student activity and opinion. The Student Council makes its greatest contribution to the school by encouraging students to recognize problems of school citizenship as their own, rather than as matters of sole concern to administrators and teachers, and by providing a medium through which this may be done.

This year, as in past years, the Student Council co-sponsored Leadership Day and played an active part in the American Field Service Program, which sends students abroad and brings foreign students here to study. The Student Council also helped to organize an independent Pep Club and A.F.S. Club co-sponsored the Christmas formal, organized Student Council Week, and held several inter-school exchanges.

TWO MORE SERVICE CLUBS TO BETTER SCHOOL

Inter-Club Council, an organization for club activity coordination, is composed of the presiding officers of all school-affiliated organizations. Each month a complete calendar of all school-sponsored activities is made and posted in each room so that no meeting or special event will conflict with each other. Advised by Mr. Marvin Elbert, the club also provided for its members an opportunity to discuss mutual problems and advancement ideas, thus being a coordinator of our links of chain.

The purpose of the International Relations Club is to provide better relations between foreign exchange students and the students of E.H.S. through social activities. This year the IRC sponsored the "Area Day" program which was an all day mixer between the student body and students from foreign countries all over the world. IRC is under the capable guidance of Mr. Elbert.

SERVICE CLUBS SUPPLY NEEDS FOR THE INTERESTED

Lab Technicians, Left to right: Dick Hoover, Laurie Lonergan, Bob Morley, Dale Libby, Wilhelm Hinsch, David Randall.

Along with the Radio Club, the Audio-Visual Club and the lab technicians also provide useful necessary duties. The Audio-Visual Club handles distribution, maintenance, and operation of public address systems, motion picture projectors, tape recorders, record players, etc.

Trusted with thousands of dollars worth of electronic equipment, the lab technicians are specially trained to handle the console, piping individual lessons to foreign language students in the cubicle.

Members of Audio-Visual Club, Dale Smith, Jim Sauer, Mike Blazier, Fritz Murray, Myron Meglin, Bill LaBorn, and Ron Rahlfs prepare equipment.

Club 90.9 — the WEPS radio organization is composed of students assigned to the Elgin High School and Larkin High School radio studios. These students are trained to operate the Elgin Public Schools radio station, WEPS — FM. These students operate the broadcasting console, tape record, and announce. They have the opportunity to write and plan additional programs. Teams of assigned students have the responsibility of all special broadcasts — football, basketball Elgin Civic Symphony, and broadcasts from the music departments of Elgin and Larkin high schools, as well as, Elgin Community College. Assemblies, if they lend themselves to broadcast, also are given. All remote broadcasts from out of town are handled by student teams from Radio Club 90.9 Since Larkin High School has complete studios, this organization is one that will continuously expand.

OFFICE WORKERS AND LIBRARY PAGES DO EFFICIENT JOBS

Office workers and library pages are called upon for a variety of jobs. Office workers must collect attendance envelopes and make an accurate record of the absences each day. They also deliver message slips. Mrs. Lueck runs her office efficiently and effectively. Library pages do similar jobs. They deliver student passes at the beginning of each period. With their help Miss Hoagland runs a useful library.

E.H.S.'S LARGEST

The Girls' Club of Elgin High School serves not only the school, but also the community. The Club achieves its purposes through various activities which incorporate girls of every interest. The major purpose of the Club is to coordinate the activities of the girls so that they will get to know each other and contribute to a greater school unity.

The Girls' Club Council, made up of representatives from each homeroom, guides the activities of the Club. Heading Girls' Club is the cabinet elected by the girls and officers.

The Club sponsors many projects and activities during the entire school year. It is the Club's main objective to maintain the reality of its major purposes through each of its phases. The Club begins each year with the Induction Ceremony and the Sophomore Welcoming Party to familiarize the girls with the club and with other girls. At Homecoming the girls traditionally

produced a prize-winning float. The Mother-Daughter Tea carried out the interesting theme "Mothers — Then and Now." At Christmas time the Club sponsored the Christmas Post Office. The money received through this made possible the giving of candy and puppets to the Juvenile Wards at the State Hospital. In February the Club again sponsored Dad n' Daughter Date Night which carried out a Spanish theme and was called "Una Noche Para Papa." In the Spring a girl-ask-boy dance was sponsored, and in May the Girls' Club introduced a Mothers' Day tea held in the library. The action packed year was drawn to a close with the annual Big-Little Sister Picnic. Many girls also helped out with the various fund drives in the community.

The Girls' Club is very proud of its two sponsors — Miss Helen Winslow and Miss Jacqueline Wendler — who always were ready with encouraging words and helpful hands.

GIRLS' ARE ACTIVE IN GAA

G.A.A. provides an opportunity for girls to have fun while learning and growing. It provides a sense of belonging — an association with other girls of the same age who enjoy physical activity and participation in activities. Playing on a team means learning the delight of success, the acceptance of defeat, the give and take of cooperation, the letting off steam in an acceptable way; and the learning of responsibility. The opportunity to acquire social skills is present through play and work with others. The values of honesty, justice, courtesy, sympathy, self-control, and perseverance appear over and over again in game and meeting situations.

MIRROR REFLECTS STUDENTS' VIEWS

The *Mirror* celebrated its 65th year of service to Elgin High by chronicling events in sports and organizations during 1962-1963. In addition to the popular Roving Reporter, the editors encouraged contributions of articles, essays, and poems from the student body, thus enabling the *Mirror* to reflect both news and views of Elgin High School.

Financial handicaps resulting from a drop in circulation after the opening of Larkin High forced the *Mirror* to use a less costly and more time-consuming method of publication during 1962-1963. As a result, the paper appeared less often than many people wished. The staff hopes that an increase in interest will make it possible to expand operations next year.

The Elgin High School yearbook, the **Maroon**, links all of the year's activities. Ably guided by Mr. Al Daniels, the member staff began the year by presenting an activities assembly to introduce the various clubs of EHS to the incoming students. The staff, meeting every seventh period, scheduled all organization and activity pictures; coordinated names, pictures, rooms, and teams; and wrote captions and articles. The business staff was kept particularly busy throughout the year since the book is, in part, financed by the sale of patron ads.

DEBATE OFFERS OPPORTUNITY FOR CONSTRUCTIVE CRITICISM

Through a program of team debating and individual public speaking, the Elgin High Forensics Program, under the direction of Mr. Howard Schulte, seeks to develop mature leadership among the young citizens of Elgin High. By developing intelligent thought patterns and seeking the ultimate in persuasive presentation, the participants learn the technique of becoming informed and influential members of our complex, demanding society.

These skills are developed through participation in tournaments sponsored by various colleges and secondary schools throughout the state, appearances on television and before various civic groups, and in the state and national public speaking competitions.

CLUBS HELP TO DETERMINE PROFESSIONS

The Harriet Gifford Future Teachers Club here at Elgin High School is affiliated with both state and national education sessions. Meeting are held monthly in order to acquaint the members with the profession of teaching. The members participate in many community and school sponsored activities.

The Future Nurses Club of Elgin High School strives to encourage those interested in the field of nursing. It encourages students in finding out what a career of nursing can offer and to decide wisely what type of nursing career they wish to enter.

The members of the Future Nurses Club take part in community activities voluntarily. They serve 10 hours voluntarily at either St. Joseph or Sherman hospital; assist with collecting of funds on drives of service organizations such as the Cancer Drive and Heart Fund Drive. They also sponsor a bake sale, a Mother-Daughter Tea in May and a sock-hop with the Future Teachers Club.

A CAPPELLA BOASTS HEAVY

The purpose of the Senior A Cappella Choir is to provide capable music students an opportunity to further their talents. Senior A Cappella is a select group made up of students with at least one year of previous musical studies. This year's choir consisted of 78 members and two excellent accompanists, Vicki Shulz and Mimi Kidwell. The highlight of the choir's year was the invitation to perform before the Music Educator's National Conference in Minneapolis, Minnesota, on March 29th—31st.

This year's officers were: president, Charles Thomas; vice president, Steve Morrison; and secretary-treasurer, Diane Patterson. The preceding and the rest of the choir wish to extend their sincerest gratitude to Mr. Charles Beckman, director, for his dedication and hard work this past year.

The performances listed show the many hours of practice the choir put in this year.

BAND ENLIVENS

The universal language of music intrigues many people from different walks of life. These people combine to form bands and orchestras to express themselves in the art of music. They have one purpose in mind; to learn, understand, and enjoy music.

The 1962-1963 E.H.S. Band has successfully fulfilled the previous purpose under the expert guidance and direction of Mr. Douglas Steensland. The band served as a marching unit in the Homecoming parade, Veterans Day parade, Loyalty Day parade, and Memorial Day parade. The band also backed our football team at all of the home games, exhibiting outstanding half-time shows. The band was represented by some of its members who formed a

Besides playing at the sports awards assemblies, the band performed in concert assemblies in December and March at E.H.S. The band also pleased the Larsen Jr. High students and faculty in April with an enjoyable concert. Two concerts were presented to the public in February and March. Many members of the band participated in the State Solo and Ensemble Contest held in March.

The efforts of the 1962-1963 Elgin High School Band were greatly appreciated by all who heard this fine organization.

ORCHESTRA DEVELOPS OUTSTANDING

The orchestra, under the direction of Miss Marion Laffey, opened its year with Fall Frolics, which was a combined performance of the orchestra and the chorus. Later in the year, they performed two concert assemblies, a formal orchestra concert, and The Fox Valley Music Festival. They also performed and presented small ensembles for community affairs and contests.

The purposes of the E.H.S. Orchestra are: (1) to improve and develop skills in playing an instrument; (2) to develop a vocational opportunity for a limited number who may choose music as a career; and (3) to foster an appreciation of good music through participation and by hearing good concerts.

This year a Chamber Music Symposium for high school string

players was held at the University of Illinois on March 29 and 30. This was the first of its kind and a limited number of students throughout the state were selected by a committee of judges who listened to tapes sent in by individual schools.

Four students from Elgin High School were accepted — Sara Bohl and Terry Mondy, violinists, Bob Herman, cellist; and Harry Spring, pianist. They were the guests of the University during the session — Friday morning to Saturday evening — and received coaching from the string faculty of the University of Illinois. A recital by all participating ensembles was given at the end of coaching sessions on Saturday evening. Miss Laffey attended the Symposium with the Elgin group.

E-Club was organized to further and promote athletics in Elgin High School and to work with other organizations in promoting various school activities. It also affords an opportunity for the lettermen, boys who have earned at least one major letter or two minor letters in athletics, to have a voice in the administration of athletics. This organization promotes good fellowship, fosters good sportsmanship, and encourages the

development of a proper school spirit among all the students in the school.

Under the advisorship of Mr. Chesbrough, E-Club, along with G.A.A., sponsored a very successful Thanksgiving Dance and helped by ushering in all the athletic functions at E.H.S. In the past year E-Club has also brought the Pep Club more spirit and loyalty.

SOPHS HAVE AN IMPRESSIVE YEAR

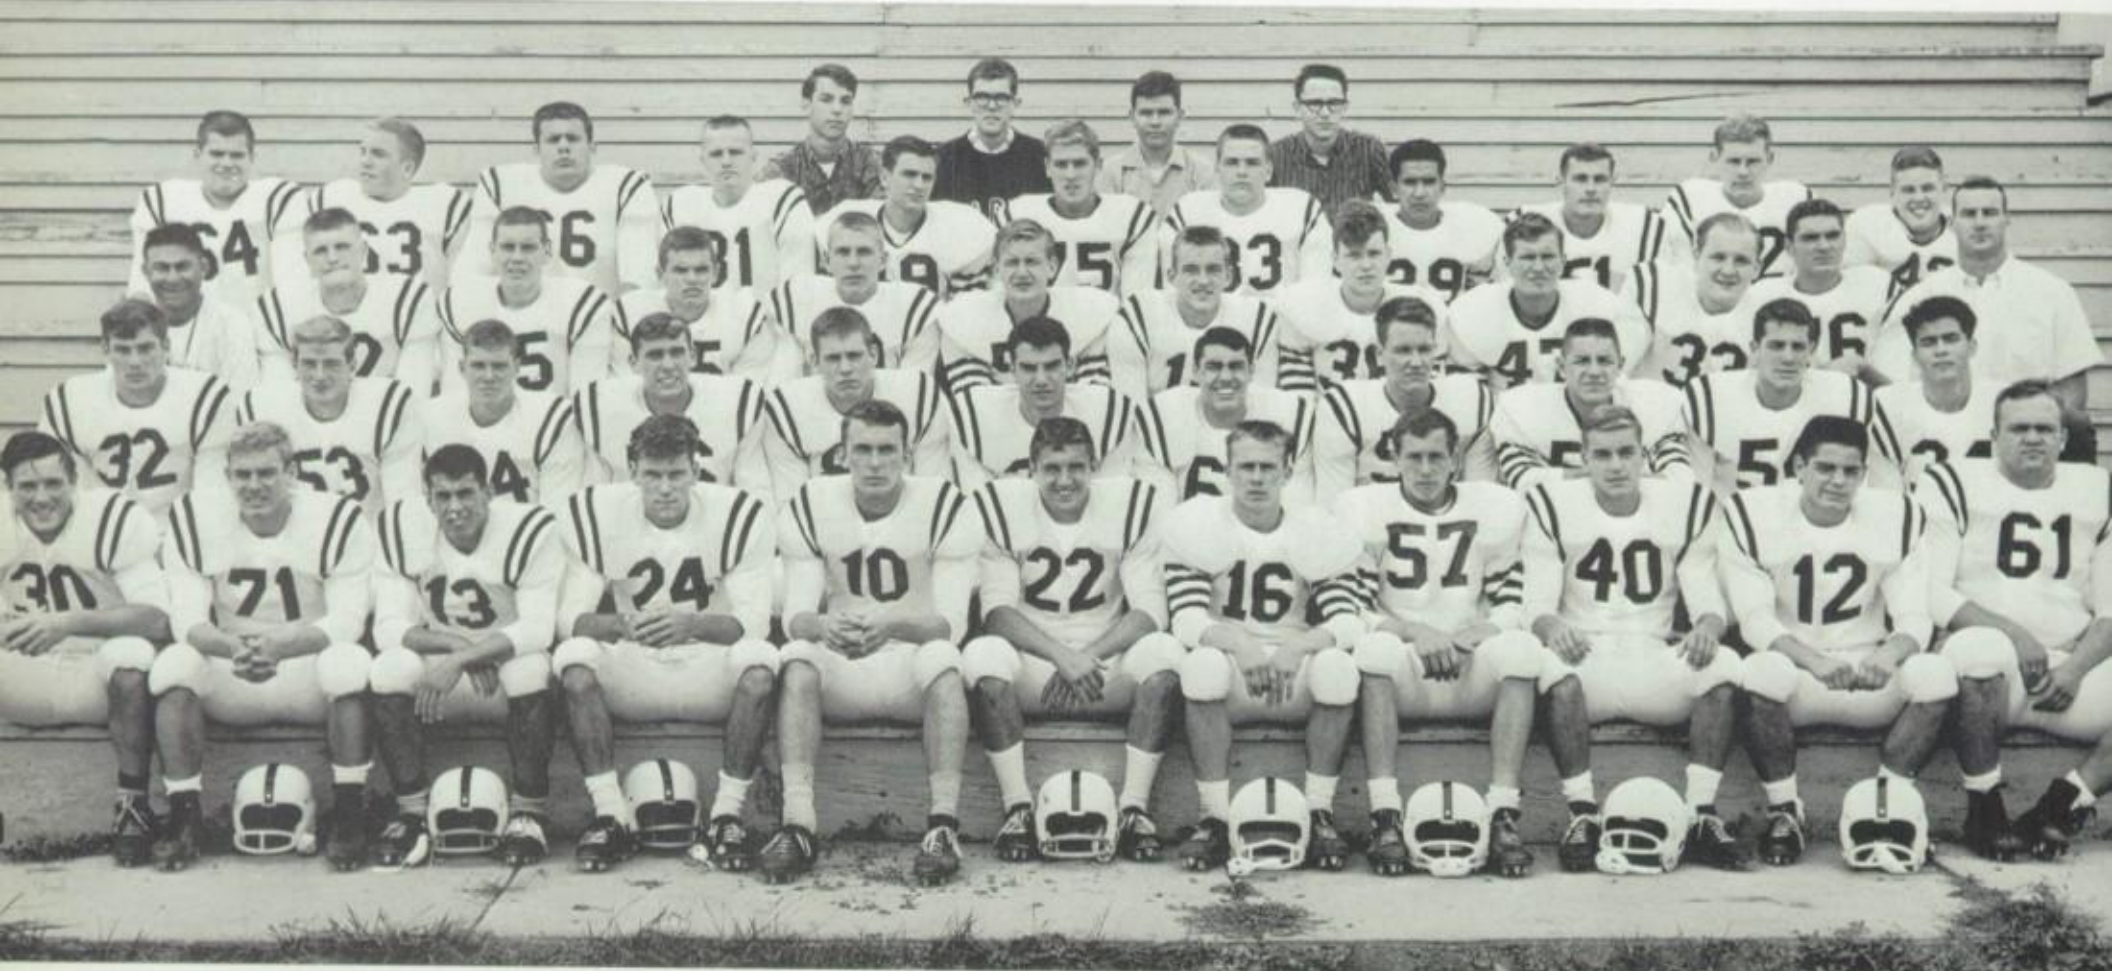

Our sophomore football team turned in an impressive 4-5 record for their first season of playing together. The boys worked hard and played well. The games were exciting to watch and, according to the team members, even more exciting to participate in. Those boys will be a great asset to next year's varsity team and help bring the championship of the new conference to Elgin.

BIG EIGHT CHAMPS FOR 10TH TIME RUNNING

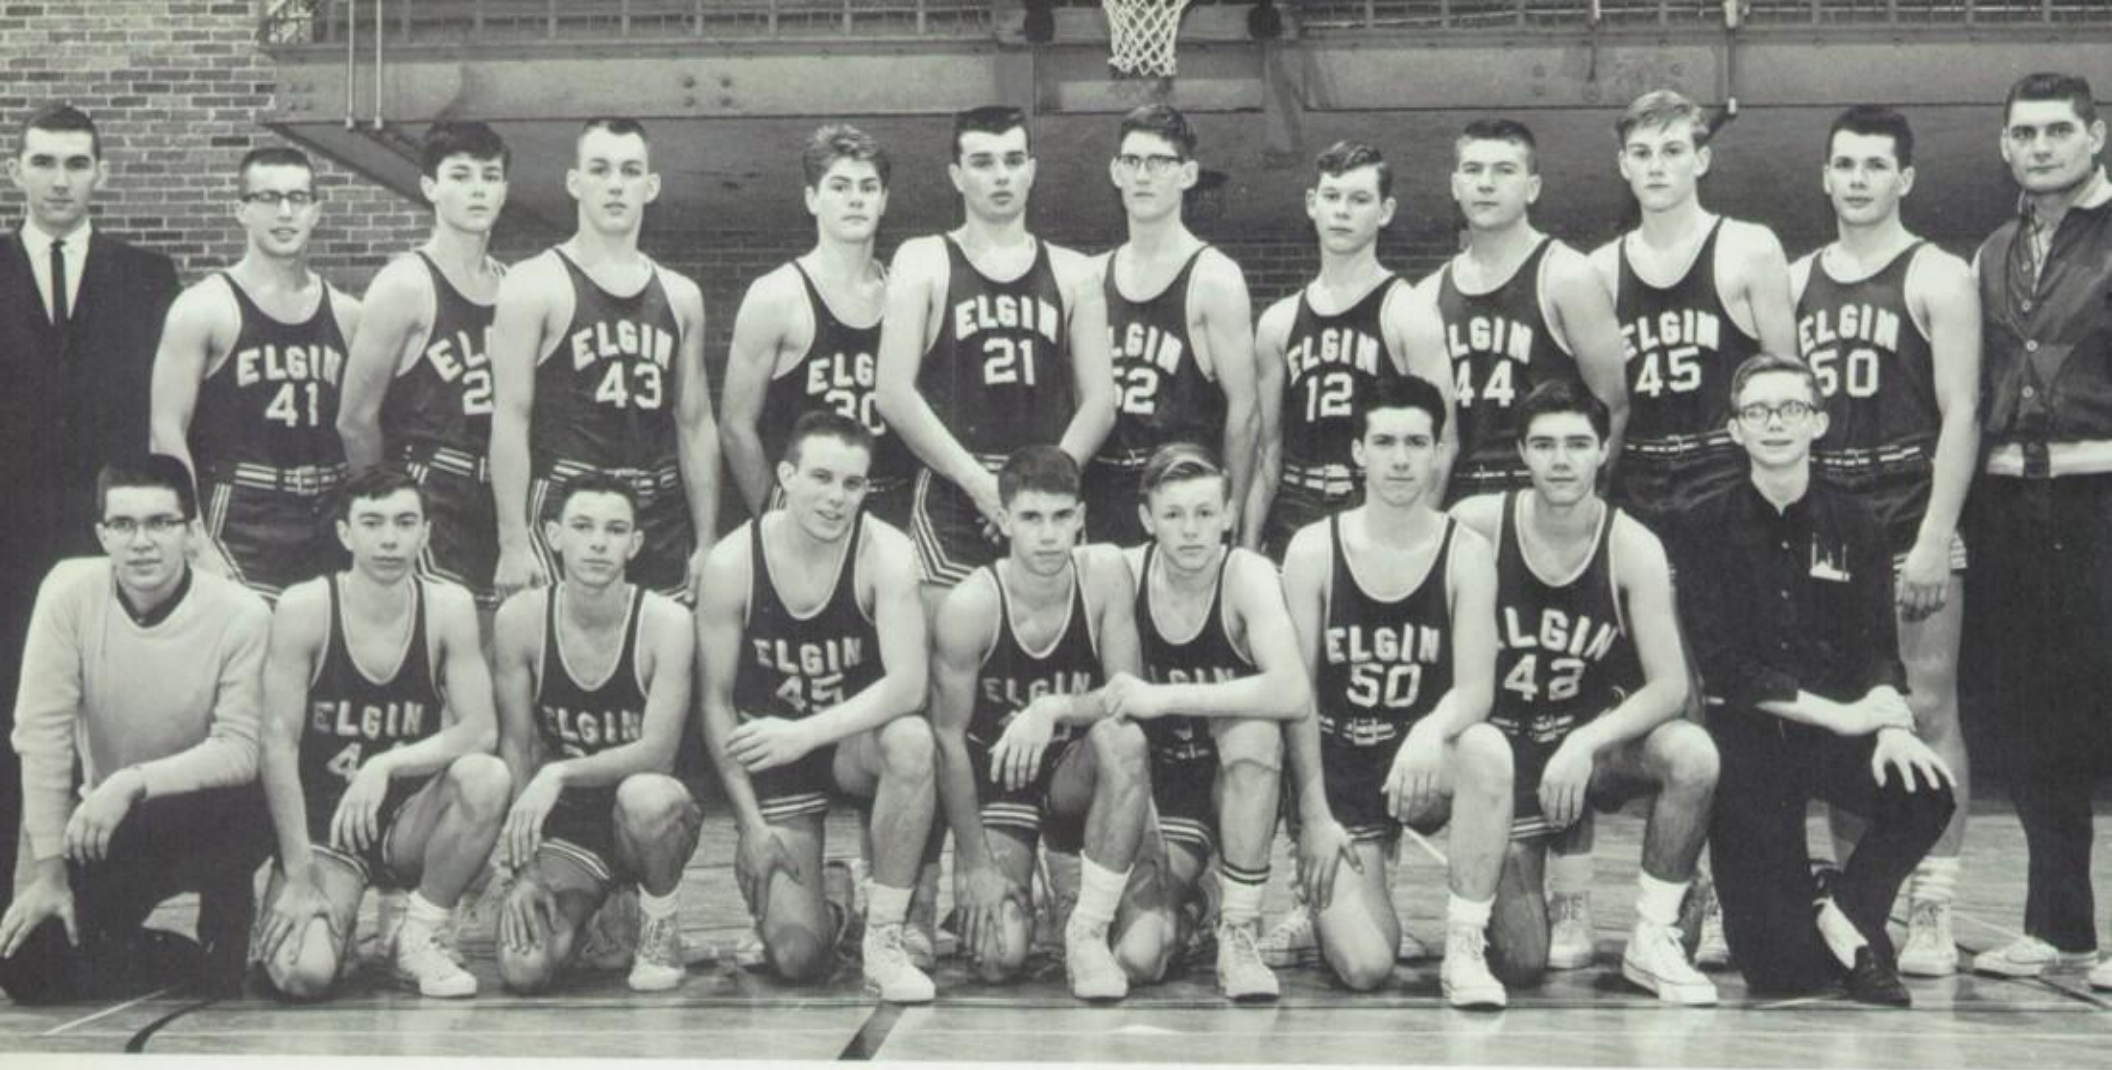

"They were a great group of boys and they did a wonderful job," said Elgin's new head coach Al Hamra after the mighty Maroons crushed Aurora West 21-6 in the season's final game that put Elgin in a three-way tie with Auburn and Aurora East for the Big-8 conference title. So ends Elgin's 46 year reign in the Big-8 conference where the Maroons compiled quite a record: winning the Big-8 title ten times, which is the record in the conference. In the history of the Big-8 conference, Elgin scored 4951 points, compared with 3241 scored by Elgin's opponents. Needless to say, the teams remaining in the Big-8 conference are all joyous to see Elgin leave.

Too many mistakes contributed to losses against Proviso west and Thornton at the season's beginning. Elgin surprised La Salle Peru 14-7 in a great defensive game for Elgin's first conference win. Aurora East defeated Elgin 22-7, but the mighty Maroons bounded back to topple Rockford West 19-7. Elgin's defense saved a 14-13 homecoming victory over Rockford Auburn. After a 33-6 loss to Freeport, the Elgin eleven beat Rockford East 13-0, making it a clean sweep of the Rockford team this year. Determination and a great defensive team effort has given Elgin another championship team.

V . . . V . . . VICTORY

Elgin High School ends a long association with the Big Eight Conference this year. An association, one might say, that has been very fruitful. In that span of years the Maroons, under eleven coaches, have either won or tied for the conference basketball title twenty times, ten more than its nearest competitor, Rockford. Elgin has won ten titles out-right while sharing the lead trophy ten other times. It might not be too bad to say that the other teams are not too sad about Elgin's withdrawing from the Big Eight Conference. Of course, these teams will lose a good opponent when the Maroons leave. This year, after a slow start, the Maroons had a very impressive season for their last year in the Big Eight. After the regular season, Elgin won the Larkin Regional, and from there, went on to the Arlington Heights Sectional winning the first game over Palatine 64 to 61, however, dropping the second contest in a close one to Waukegan, 54 to 53. The Maroons of '63 finished with a 20-7 record.

ROUGH COMPETITORS TO THE LAST INCH

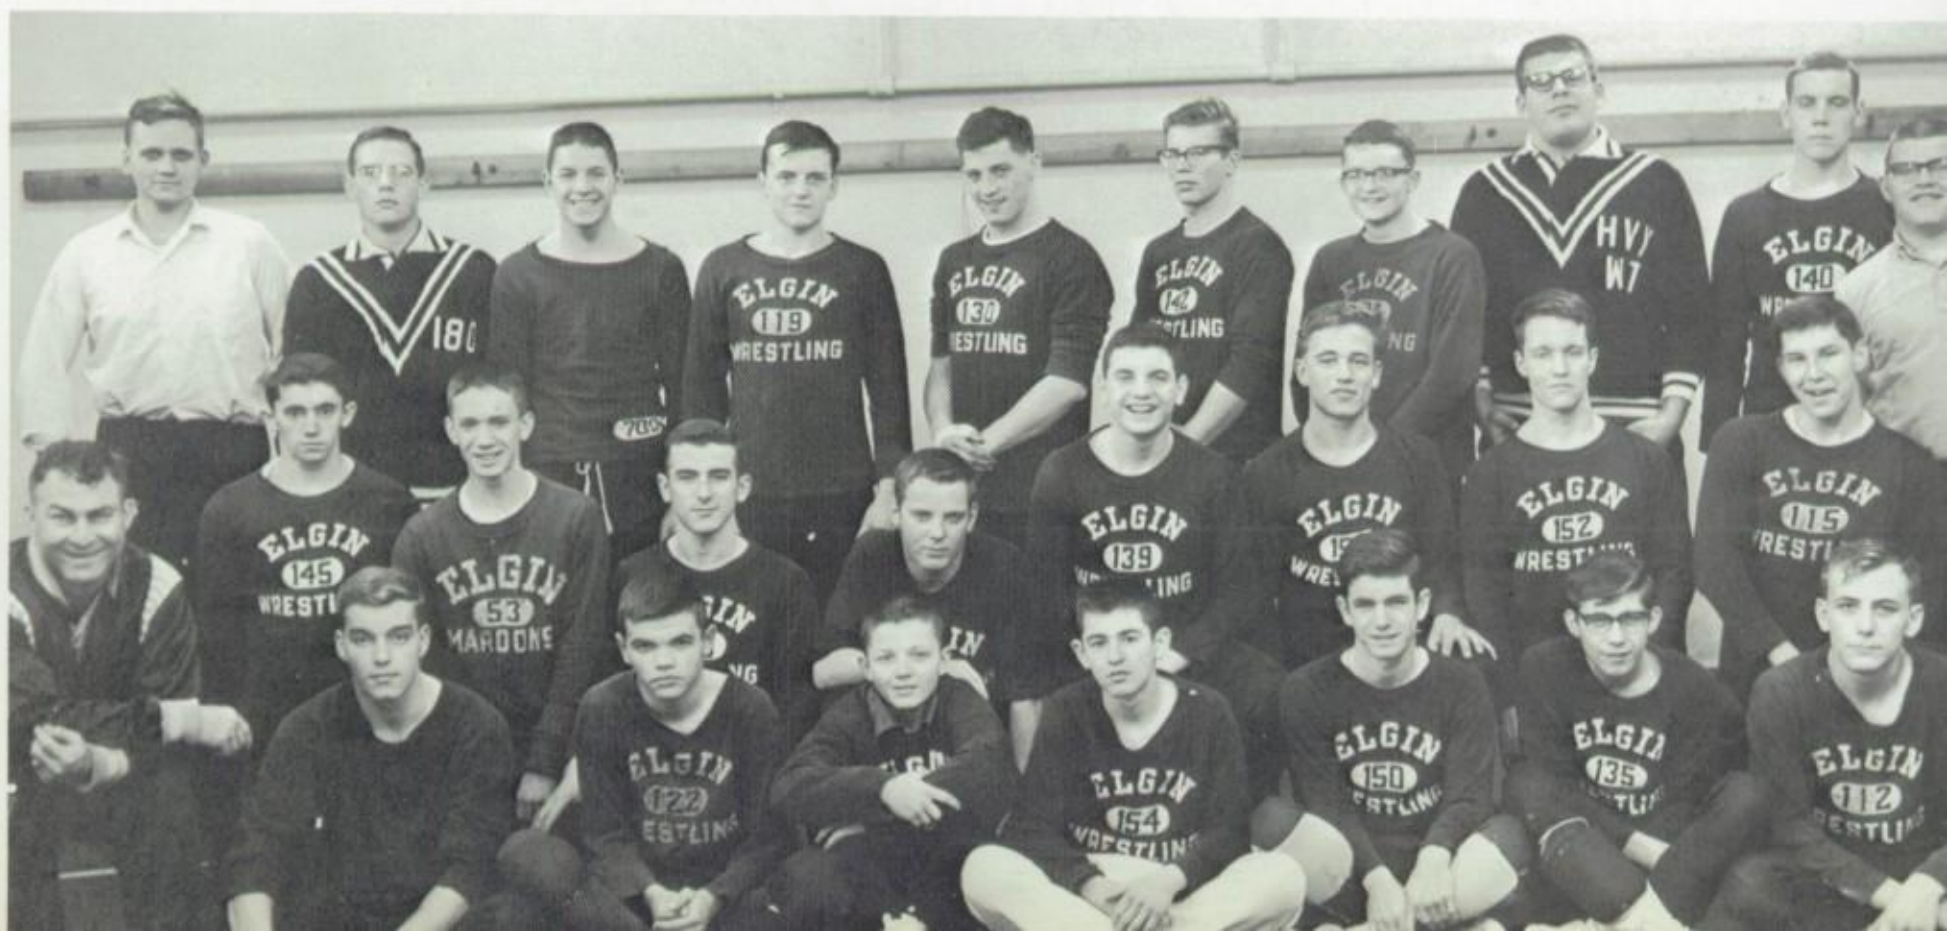

The 1962 edition of the Maroon golf team, coached by Lowell Antenan, compiled a record of 6 wins and 6 losses. A nucleus of three lettermen, Fred Meier, Jeff Sorce, and senior Dick Lieberman, supplemented by the efforts of Bob Hoffer, Jim Crane, Al Hieber, Greg Baugherm, Dave Fisherman, Jerry Myers, Bob Weber, Pete Bazos, and others, combined to split the season between wins and losses.

The 1963 season, under Coach Gus Stuart, who returned to Elgin High from Japan, has some promise of a squad which will try to improve on last season's record. Leading the '63 squad will be Jeff Sorce, Fred Meier, and other team members.

The Elgin varsity wrestling squad in dual competition won two, lost eleven, and tied one. The squad placed fifth in the Big 8 competition. Elgin had two grapplers who advanced to the Illinois State Sectional Tourney. Brian Oldfield advanced in the heavy weight division and Thomas Kerber in the 165 pound class. Coach Al Hamra in his first year as chief mentor of the Maroon grapplers was impressed with the spirit of his squad. Injuries and lack of depth in certain weight classifications kept the season from being more of a success.

TANKERS PROVE THEMSELVES TO ALL

The Elgin High School Tankers enjoyed one of their most successful seasons in recent years by posting a won-lost record of 6 wins and 8 losses against some of the toughest teams in the state.

Determination proved to be the Maroons strong point this season which enabled them to win four of their last six meets and the last two in a row. Coach Blacketer said, "This is a team Elgin can be proud of — they gave more of themselves than anyone could ask. I am proud of every one of them."

In their year of competition, the Elgin Maroon gymnastic team failed to win the first seven meets. In the last meet of the year, the team showed a sudden urge to win. The squad, composed of sophomores, juniors, and seniors, showed the school that training paid off. Under the leadership of Mr. Brian Galligan, the team looks forward to a great season next year.

DETERMINED SPIRIT MARK OF TENNIS PLAYERS

Bob Beverly smashes ball across net.

A game of speed and skill has had an outstanding year. Mr. Galligan, the coach of the sophomore and varsity squads, made the statement that the team is only losing a couple of seats this year so next year ought to be very promising because of the three outstanding sophomores coming up to play varsity. The senior men on the squad proved to be a good pushing power for the team and something to put backbone in the spirit of its members.

Sophomore tennis, ROW 1: Dick Wolffe, Warren Zvara, John Rhul, Mike Snellgrove. ROW 2: Dan Zami, Jack Bensen, Jim Crawford, Horst Bansner, Elmer Jensen — manager, and Brain Galligan — coach.

Al takes a whirl in space.

After school every day, a group of athletes and ambitious male Elgin High School students, coached by Bob Duffield, Al Hamra, and Jim Entwistle, met to get in shape for Elgin's rough spring schedule. Last season, Elgin finished second in the Big 8 track meet and first in the Kane County Track Meet.

Sophomore Track, ROW 1: John Liska, Joe Kruse, George Moore, Jim Myers, Jerry Fleurry, Dick Mellen, Dave Archer, Jim Swanson, Larry Vincent, Coach Duffield. ROW 2: Coach Hamra, Dave Christian, Bob Bau, Max Windgard, George Caldwell, Pete Breskovich, John Lo Bianco. ROW 3: Sheldon Hemphil,

MAROONS TURN THE CINDERS

Elgin's Cross-Country team gained priceless experience under the leadership of coach Duffield. These young men next year are expected to surprise many opponents. The team finished with a 1-10 mark this year. On the cinders and across the lengthy course the Maroons accomplished their best for the team's benefit.

Cross Country Team, left to right: Rollin Coville, Howard Jordi, Alan Berry, Dale Bramer, Tam Lonergan, Warren Zvara, Dick Wienke, Randy Meyer. ROW 2: Bob Wilson, Don Rabe, Gordon Steinway, Richard Fitts, Dave Brown,

SOPHS RUN THROUGH SEASON

Coach Lose greeted this season with hopes of a successful venture this year. He has been awarded with many new athletes that desired to learn and gain experience from Coach Lose's guidance. The sophomores are ready with a strong bench to fill any vacancies in the line up.

Here comes Greg Sherwood with an Elgin score.

Warren Heine.

Strike Three and you're out!

MAROONS LOOK GOOD

This year's baseball team, in the opinion of our sports spectator, looks quite encouraging. The team, aided by the returning members from last year, was fortified with promising new players. This year's team is under the efficient and experienced hand of Coach Paul Blacketer. The team had a 7-5 record in 1962.

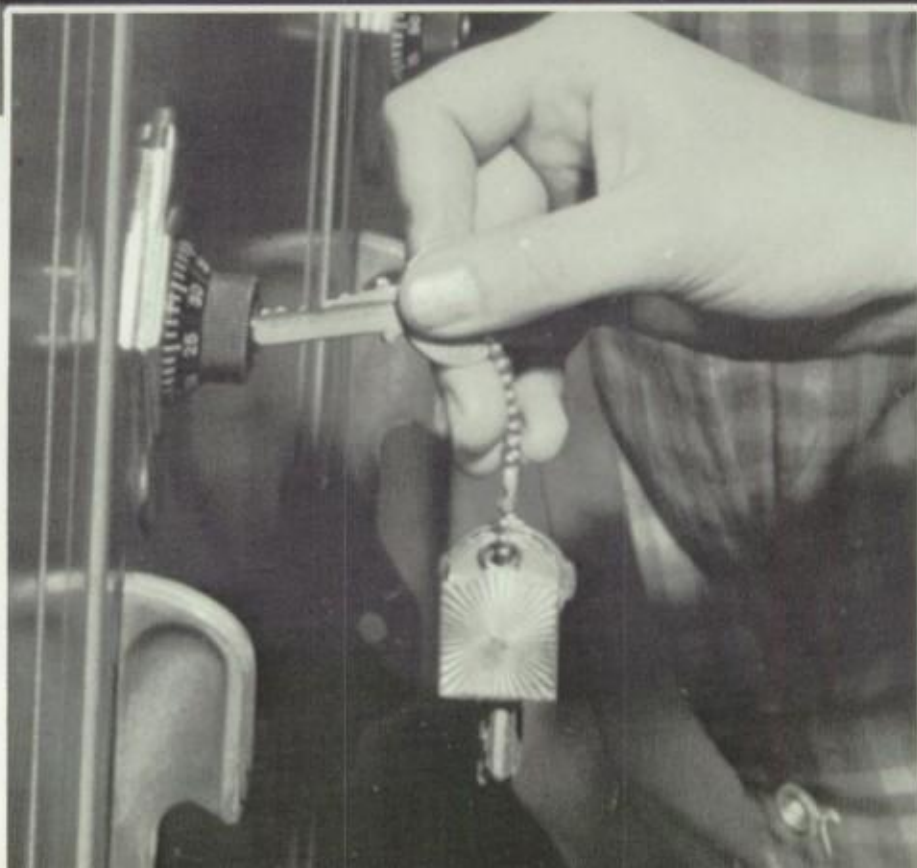

Strategy interrupts concentration on the game.

The culmination of all Homecoming activities is reached as the alumni and students meet at the Homecoming Dance.

Liliom speaks his views.

SENIOR CLASS PRESENTS SUCCESSFUL PLAY

Ferenc Molnar's LILIOM is a thoroughly theatricalized drama from the moment it opens with its "amusement-park pantomime." The play moves from naturalism to romantic fantasy, from the serious to the sublime. LILIOM centers around a series of dramatic contrivances invented to advance the author's thesis that human behavior often contradicts intentions. Elgin High School's seniors, under the very capable direction of Mr. Smith Brand, portrayed this theme after much time and effort devoted to practice. However, this effort paid off as students and parents alike were encaptured by the fast moving action of these seniors at their very best.

Liliom returns with two guards to see his daughter.

Liliom and Ficsur dispute over gambling loses.

The entire cast takes a bow for their well-done performance.

JUNIORS PRESENT THE SPIRAL STAIR CASE

Mrs. Warren discovers the professor's insanity.

Set in a gloomy mid-victorian mansion in the early 1900's, **The Spiral Stair Case** was a spine-tingling mystery. Many hours of hard work were put in by the members of the class to achieve this manner. Under the direction of Mr. Smith Brand the Junior class did an excellent job, and anyone who attended this play would surely agree.

Constable warns of another murder.

CLASS OF '64

The purpose of the "64" class council is to stimulate an interest in school as a whole and its associated activities, and to strive to achieve the finest educational institution known; secondly, the purpose to create unity in the class and through a concentrated effort work for the high standards Elgin High demands. Their third and final goal is to carry on the many traditions Elgin has developed over the years and to prepare themselves to be fine representatives of Elgin next year and all the years to come.

In earnestly striving to achieve these goals throughout the year, the "64" class council has sponsored many activities. In creating unity in the class and carrying on the homecoming traditions, the class built a float. Later in the year, they staged a class dance, the Hillbilly Hop, to further unite the class. The major part of the year, however, was spent working for Elgin High and its traditions. It is the responsibility of the junior class to sponsor the Junior-Senior Prom. The "64" class council feels that it has had an active and productive year and hopes to do as well or better a job next year.

CLASS OF '65

The latest link in the chain of classes which have Elgin High School as their Alma Mater is the great class of '65. We have the distinction of being the smallest sophomore class to enroll in E.H.S. in recent years due to the new high school. But what we lost in number, we make up with spirit.

Our class began the year with a class breakfast and the election of our class officers. They are as follows: president, Craig Rogers; vice-president, Ernie Rayburn; secretary, Cheryl

Lower; treasurer, Jim Hagelow. Our advisors are Mrs. Hackman and Mr. Smith.

The mighty falcon was chosen as the class mascot and the rose as the class flower, while baby-blue and white make up our class colors.

Our motto and aim while we are at Elgin High is "To make the best better."

ROW 1, left to right Barb Kuehner, Cheryl Lower, Karen Schwartz, Linda Arnold, Sally Heidemann. **STANDING:** Craig Rogers. ROW 2: Elaine Webb,

Mary Ehorn, Sharon Trabert, Sue Haumiller, Bob Roll. ROW 3: Greg Pear-sall, Bob Bremmer, Bob Duer, Ernie Rayburn, Caryl Morton, Jim Hagelow.

Mr. Winn!
We each learned some
thing this year. I learned
"Plan ahead or your
